Mr. Charles Milton,
Coleville, California.

Dear Sir:

Your letter April 5th, at hand, asking my permission to come to Independence to visit your mother.

In looking over your record, I find that you were in Judge Skinners Court June 20th, 1938 for same offense as you came before me November 15th, 1941. At that time I released you on 2 years probation, on condition you stay out of Inyo County for that length of time.

In view of your past record, I dont see how I can change your probation. You no doubt will remember, that you were brought before me once or twice after Nov. 15th, and you made the same old promises of being good, which you did not do, so I will have to deny your request.

Very truly yours,

C. H. Olds,

Dear Judge Olds:

Charles Milton, of Fort Independence, came in to my office this morning and stated that in 1941, on November 15th, you had given him a floater from Owens Valley. He states that it was his understanding that the floater was for a period of six months.

It is Charles' desire to return home at this time and he states specifically that he will not cause any more trouble. Will you, therefore, please advise at your earliest convenience if it is permissible for Mr. Milton to return home.

Attention Mr. Don C. Foster, Supt.
In re: Charlie Milton:

Dear Mr. Foster:

Your letter August 29th. Charlie Milton is an habitual offender. In looking up his past record, I find he was before Judge Skinner on June 28th, 1938, No 68. He appeared before me on November 15th, 1941. Gave him a suspended sentence on condition he stay out of Inyo County for two years. Judge Skinner gave him a like sentence, suspended for three years.

He appeared once or twice after Nov 15th, '41, and I gave him the bums rush, told him to get out and stay out, which I guess he did, for I have heard nothing from him since. I talked today with two officers, Oscar Burkhardt Constable and Harry Mack, Deputy Sheriff. They join me in saying that we don't want him back here until at least his two year term of absence has expired, or till November 15th, 1943.

I hope for the good of the majority of the Indians here, that you see that he don't come back at all, if possible. He is very undesirable. You asked for my suggestion and now you have it.

However, if you do allow him to come back, he would have to be good. Thanks for the enquiry.

Very truly yours,

C. H. Olds,

(10-29-42)

Gentlemen:

This matter was phoned me by the Sheriff's Office, Independence, California and I am following their instructions as nearly as possible.

Elbert B. Marlow, No. 236, was sentenced in my Court on Dec. 22nd, 1941 (1941) for disturbing the Peace, to six months in the County Jail, suspended for two years, provided he leave Inyo County in twelve (12) hours.

Since you mention that he must have an honorable discharge from this Court, I welcome the opportunity to release him from that sentence, and notation to that effect entered in Criminal Docket, Page 236.

I am sure he will make a good soldier and the best of luck to him.

Sincerely yours,

C. H. Olds,

Dear George:

Fred Badgley brought in the attached check, written by Liggett. Claims he did not get this check back until after Liggett was in custody. Naturally he would like to get his money, or will swear to a complaint for his arrest for forgery.

I don't know what is being done about Liggett, so many reports being circulated about him, but I know you will do whatever is supposed to be done in the premises.

Sincerely,

C. H. Olds.

Honorable C. H. Olds
Justice of the Peace
Lone Pine, California.

Dear Judge:

George has asked me to write you that the check drawn on Fred Badgley by H. E. Liggett has been forwarded to the probation officer to be added to the other checks drawn by Liggett.

The terms of probation were that Liggett should make restitution on the checks drawn by him by paying to the probation officer the sum of \$50.00 within 60 days after his release from the county jail and \$25.00 every two weeks thereafter until all persons who cashed the bad checks are reimbursed.

You may so inform Badgley, but at the same time should advise him that Liggett will be in our jail until the end of September, and, since Los Angeles County has put a hold against him, may thereafter be incarcerated for a longer time.

Yours very truly,

GEORGE FRANCIS

RE: People vs C. C. Randall. 264.

Dear Mr. Reiter:

I have letter today from Labor Commissioner, saying he had received a check from you for \$25.00, to apply on the above case. He also mentions that you would like a further extension of 60 days, and I am moving the hearing up to November 30th, 1943.

I hope you will be able to make a final settlement of this account by that time.

Very truly yours,

C. H. Olds,
Justice of the Peace.

The above original mailed to Reiter. This footnote for your information only. CHO

Dear Mr. Ott:

Replying to your letter of yesterday, I note there is a discrepancy in the balance due from Mr. Damon. In letter from your office from Mr. F.C. Huss, dated June 26th, in which you quote Mr. Reiter as follows:

"In response to your letter of June 18th, 1943, I regret to inform you that Mr. Randall is unable to take care of these labor claims at this time.

"Mr. Damon will forward \$25.00 on account of said claims before July 2nd, 1943, etc."

At that time the balance due was \$262.86. In your letter the 30th, you mention the balance now due is 212.86. This would be correct if you did get the payment referred to to on June 26th, otherwise the balance would be \$237.86. Please put me right on this amount, so I can enter payment as no doubt it was made to you.

Very truly,

CHO

Gentlemen:

Justice C. H. Olds of the Fourth Township
of Inyo County, in whose court the above case is
pending, has asked me to reply to your inquiry in
regard to the status of the above bail bond.

Justice Olds advises that the above case
was continued from January 27th until March 2nd, 1943,
and that the defendant did not appear on the latter
date. No further continuance has been requested nor
granted.

Deputy State Labor Commissioner L. E. Gold
of Bakersfield advises that the above continuance was
made at the request of defendant's attorneys, Reiter &
Reiter of 437 South Hill Street, Los Angeles, at which
time a payment of \$25.00 was made on account of a wage
claim.

Justice Olds suggests that in order to avoid
a forfeiture of the bond that you get in touch with
defendant's attorneys for the purpose of surrendering
the defendant or obtaining a further continuance.

I am enclosing letter and card for your advice. This case has been hanging fire for a long time. I am enclosing letter Jan 27th which please note and my reply to same. I set the hearing for March 2nd and no body showed up. Each time I get a card from the Bonding Company, asking the disposition of the Case etc. When I got the one enclosed, I held it till the 2nd, then I wrote Mr. Gold what to do about it. His letter the 9th, is his answer. Is there anything I can do about it? Seems I should have a letter from Randall's Attorneys, Reiter & Reiter, but none so far.

In view of the fact that the defendant went through
bankruptcy, and further, that the complaining witness, Clarence

suggest that it meets with your approval, this bond be released.

please do so and I will fill it out for you.

People vs. Randall.

Dear Mr. Huss:

Your letter the 21st. Note what you say about the Bond. Will write them this mail and so advise. About the fishing trip first of the month, will say that I don't think I can go. Believe it or not, I am so crippled up that I can just get around. Have developed a case of Arthritis, neuritis or just old fashioned rheumatism, and I am a wreck. May be able though at that time, but I doubt it.

An old friend of mine, Jim Hodgman, came in this morning with a complaint against Industrial Indemnity Company, 416 West Eighteenth St., Los Angeles. I am writing you particulars, thinking you may be willing to advise me what steps to take.

His wife was working in Dow Hotel here, Margaret Cook proprietor. She had a fall and injured herself and was off duty till July 10th. Discharged from Dr Shultz' care July 13th.

They received several payments as per stubs herewith, but nothing since May 3rd. She has written the Company asking about further payments and Dr Shultz wrote them, sending in his bill, which they paid just recently, also asked them to continue payments to Mrs. Hodgman. No reply.

Mr. Hodgman came to me, thinking I might do something about it. Will you please advise me just about what I shall write them, (if anything).

I have a good friend here who goes fishing on Saturdays and I think I could arrange for you to go with him or vice versa. Let me know if you can be here early. He generally fishes in the local streams here, but he might enjoy going to the River above Bishop. He may have other plans or he may not be able to go at all. He is head mechanic here for P.M.T.Co., and has each Saturday off, if no trucks broke down. I will see him and let you know. Please let me know if you want me to do this?

Dear Judge Olds:

Re: THE PEOPLE vs. C. C. RANDALL

Mr. McCarthy, Deputy Labor Commissioner at Bakersfield, has asked us to write you regarding the request of the Associated Bond and Insurance Agency for a release from their bond of \$200.00 in the above-entitled case.

Under no circumstances can we see any justification for releasing them from their liability at the present time. This matter stands at issue in your court, upon a plea of not guilty, and has never come to trial.

Mr. Randall has not as yet been discharged in bankruptcy, and may not be, the date for the hearing of his petition having been set for September 20. Further, the perfection of the bankruptcy action will not cure the violation of the State labor laws, and the only reason for allowing this matter to go as long as it has was to permit Mr. Randall to do what he could to straighten it out.

If this company wishes to be released from liability on their bond it may surrender Mr. Randall to your court and have the bail exonerated.

Thank you very much, Judge, for your kind cooperation in this matter.

Re: THE PEOPLE vs. C. C. RANDALL

Your letter addressed to John F. McCarthy, Deputy Labor Commissioner at Bakersfield, has been forwarded to this office for attention.

You request that Mr. McCarthy inform Judge Olds that it is all right to exonerate the bond posted in this case, in the amount of \$200.00.

Apparently you are not aware that there are two counts in this case: Sections 204 and 207 of the Labor Code. For that reason, and for the further reason that it has not yet been definitely determined whether objections will be filed to the adjudication, this office, including Mr. McCarthy, cannot make any such recommendation.

Dear Judge:

Would it be possible to set a new trial date in the case of Loyd Kane et al vs. Randall, Old Gold Mines, to around and about the middle of August, say about August 14, as I am not familiar with these procedures and do not know whether I am proceeding properly in requesting this continuance. I wish you would advise me, if the continuance to about August 14 is agreeable, who would have to notify the claiming witness, Clarence Baker and the defendant's attorneys, Reiter & Reiter, 437 South Hill Street, Los Angeles?

Gentlemen:

Kane et al vs Randall

May 8th, Judge Olds, Justice of the Peace at Lone Pine, wrote us that this matter has been continued, and suggests that the trial of Randall, on charges of violating the labor laws, be held July 10th at 10 A. M.

Kindly advise me if this date will be agreeable with you and the defendant, so that this matter may be brought to a conclusion. It appears very much that Mr. Randall is making very little effort to get this small balance of \$187.86 on these labor claims paid.

If the date of July 10th (Monday) at 10 A. M. is not satisfactory with you, please let me know what date would be.

Dear Mr. Huss:

Your letter the 3rd rec'd this morning. No one showed up, and no one wrote me, so will grant an extension of 60 days, naming hearing date as July 5th, or to July 10th. Please let me know which date you prefer. You might want to run up here over the 4th, and then be here the 5th. I thought you might come up for the "opening" May 1st, and stick around till the 5th. Well, fishing wasn't too good. River high and dirty.

I went up, tried my luck, but very poor. First time I didn't get a limit on opening day. Crowley Lake was fairly good.

Will you please advise Baker and Reiter of this new extended date. If you cannot get here for the 1st of July, to kill a few days till the 5th, better make it for the 10th, on Monday, as I will probably celebrate the 4th, and if I do, the day AFTER is always a tough one.

Very truly yours,

C. H. Olds.

In case the defendant appears, I am wondering if you can have the case set over to a future date, in view of the above.

#15681 - Baker vs Randall.

Dear Mr. Huss:

Your letter the 26th. I have the case docketed for May 5th, 10 AM. Have heard nothing from anyone since letter from Reiter & Reiter of January 11th, '44. Also I have not written or notified anyone about the case. I just tried to contact George Francis, District Attorney, but find he is out of town till Monday.

So far as I know, the D. A., has not notified Baker, but am mailing him a copy of this letter, which he will have on his desk Monday, and he will know what to do and will no doubt do it; and will probably notify you accordingly. I may hear from R & R yet, and if so will either write you or wire you whether they ask for an extension.

If you could spare the time to come up and take a chance on the hearing being held, you could bring your fishing rod etc., so the trip would not be a total loss.

Am figuring on going up to my old stamping grounds on Monday. Will go up Sunday, so I can get an early start next morning. We have had some terrible weather here last few days, up to yesterday, but is clearing today and should be OK by Monday.

Sorry I cannot give you something more definite, but you will no doubt hear from Francis, or he will advise me what to do about it.

Very truly yours,

He forwarded a payment of \$25.00 on account of the wage claims, leaving \$225.42 still due, and advised that Mr. Randall felt certain he could take care of the balance within the ~~sixty~~ days.

Mr. Randall called at the office a few days ago and expressed the same thought - that with sixty days more time he would be able to take care of the obligation.

Re: People vs C. C. Randall

Mr. Randall called at our office today and advised that he has been unable so far to take care of the obligation in this case, as the Government loan has not yet been completed. He and his attorney, Mr. Reiter, however, believe that a continuance of sixty days would enable them to show progress.

As I believe I advised you, Mr. Daniel passed away last Saturday. Until such time as a new Deputy is appointed and his schedule arranged, it will be impossible for us to appear in your court regarding this matter.

In view of these facts, I would suggest that the request of Mr. Randall and Mr. Reiter for a continuance be granted.

Re: People vs C. C. Randall

This will acknowledge your post card continuing this case to July 2nd, 1943.

In regard to the balance due on the labor claims, I note that at the time of filing complaint in your office there was a balance of \$275.42 due on the 7 claims pending with us. On August 8, 1942 Mr. Randall paid \$25.00, on November 24, 1942 \$25.00 and on January 27, 1943 \$25.00, reducing the balance to \$200.42. On March 18th, 1943 two claims, for \$63.99 and \$58.45 respectively, were transferred from our San Bernardino Office to Bakersfield, making the total due \$322.86. On April 1, 1943 we received \$35.00 and on May 14th \$25.00, leaving the sum of \$262.86 now due on the 9 pending claims.

I am planning a trip to Inyo County the first week in June, and expect to call to see you on Thursday, June 3d. I shall also be glad to talk with anyone having a labor claim.

Judge C. H. Olds,
Lone Pine, California.

Dear Judge Olds:

I have endeavored on numerous occasions to communicate with my client, Mr. A. L. Damon, who has been very busy with his mining operations at Trona.

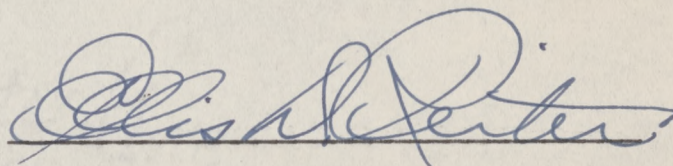

He advises me that there will be some accumulated royalties on hand by the 20th of this month, at which time I will immediately forward whatever amount there is to the Labor Commissioner to apply on the Randall matter. There have been no royalties up to this time because the operations at the mine, I am advised, have been spasmodic and return on shipments has apparently been somewhat lean.

I would therefore suggest, if satisfactory to you, that this matter be set over for an additional 30 or 60 days, to an end that we can make the royalty payment as above outlined.

I appreciate your indulgence in this matter.

Very truly yours,

People vs G. J. Randall, 264.

Gentlemen:

Your letter the 11th, received this morning. Too bad you did not attend to this sooner. Mr. F. C. Huss was in my office when your letter arrived. I notified you on December 13th, the hearing would be continued to January 13th. You had plenty time to let us know and thereby save Mr. Huss this long journey up here.

However, Mr. Huss expressed the desire to help your clients in any reasonable way he could, since you have made several small payments on the account and generally showing a disposition to do the best you could, so he suggested I grant you the extension you ask for, only am making it a little longer, at his suggestion, to May 5th, 1944, at 10.00 AM.

This should give you opportunity to settle this case and I hope you will arrange to do so. On July 18th, 1943, Mr. A. L. Damon visited me at my home and made some promises to me to the effect that you were sure the matter could be settled shortly.

Very truly yours,

G. H. Olds,
Justice of the Peace.

Your letter of December 16th enclosing your check for \$50.00 was happily received. Your handling of the matter was more than O.K. and I am certainly grateful to you.

While the amount Mr. Buckner paid was not quite all of the rent due, yet I believe we are fortunate at that. I did agree to pay for some of the parts for the Kohler plant but not to the extent of \$50.00, and Buckner agreed to furnish the labor and put the plant in shape.

I am hoping that he will be able to complete the job and get the Kohler plant in running order and returned to the ranch before he leaves.

Sincerely,

Dear Judge: Re: Gallaher vs Buchner

We have another wage claim against Mr. Buchner - that of Hugh M. Gallaher, a flight instructor, who states he was employed from April 1, 1942 to July 4, 1942 at \$300.00 per month, and at the time of quitting had a balance of \$207.00 due.

On October 1st, 5th and 14th we wrote Mr. Buchner regarding this claim, but received no reply. Then we sent him a summons to appear in Bishop on November 6th, which he failed to do.

Would you kindly take this matter up with him and obtain a statement, and, if the claim is correct, arrange for payment of same?

We would appreciate hearing from you in this regard within the next ten days.

Thanking you for your kind assistance, we are

Once more we would appreciate your contacting Mr. Buchner, as we have not yet received the payment promised for November 20th.

We are advised by Mr. Watts that Mr. Buchner is planning to move operations to Cedar City, Utah this week or next. Would you kindly insist upon Mr. Buchner making the payment due November 20th immediately, and, if possible, the one promised on or about December 5th before leaving?

We would appreciate your assistance in the above matter. Mr. Buchner has failed to make the payments on account of the wage claim of Mr. Watts, as agreed with you, since the initial one of \$65.00. He has also failed to answer our letters regarding them.

We also have the claim of Hugh M. Gallaher in the sum of \$207.00. Mr. Buchner has made no reply to our letters concerning this claim.

Will you please get in touch with Mr. Buchner and advise him to make the payments as agreed on the Albert Watts claim, and to give us a statement regarding the Gallaher claim, with payment of the amount due, or a payment on account, at least?

Dear Judge:

Re: Watts vs Buchner

I am very, very sorry to advise you that Mr. Daniel became seriously ill during his vacation, and passed away on Saturday, September 19th. It was quite a shock to everyone here, as he was not ill, in bed, very long.

Under the circumstances, no one from our office will be in Inyo County this month. When a new schedule is arranged we will advise you.

In regard to the above case, would it be possible for you to contact Mr. Buchner and Mr. Watts and try to reconcile the difference between figures they present? Mr. Watts still contends, in a letter to us, that his original figures are correct. Inasmuch, as we hold his assignment, we would request that whatever payment Mr. Buchner makes be forwarded here.

Thanking you for your kind assistance,

Re: Watts vs Buchner

I enclose two copies of a letter from Mr. Watts, one for you and the other for Mr. Buchner should he desire it.

If it is possible for you and Mr. Buchner to discuss the matter and reconcile the various figures presented in regard to Mr. Watts' wages, I shall appreciate it.

Mr. Daniel is away on his vacation just now, but will return in time for the regular Inyo County trip. As I am unable to reply to Mr. Watts' letter in detail, I shall ask Mr. Daniel to arrange to stop in Lone Pine, probably Wednesday afternoon, September 30th, to discuss the matter.

Mr. E. B. Daniel

Dear Mr. Daniel:

I received your letter of August 31st with the enclosed check in the amount of \$65.00 and wish to thank you very much for your efforts in my case. There are a few things in your letter which are not very clear to me and I would appreciate it very much if you could clarify them.

The first item is, your total figure due me differs as to the total amount of the payments. Likewise the first 2% Social Security deduction of \$16.67 does not coincide with the last one of \$16.87. I note another item is the fact you have taken 2% Social Security taxes off the full amount of earnings were as I have already paid these taxes on the \$580.00 I have drawn. In regard to the earnings the first figure of \$800.00 is correct but the extra five days should be figured at \$50.00 rate instead of the \$40.00 rate which would make it 5 days at \$8.33 1/3. Figuring this all out we have the following:

Salary to August 8, 1942		\$800.00
Salary 5 days @ \$8.33 1/3		41.67
Total Earnings		841.67
Less amount drawn (taxes already paid)		580.00
Salary due me		261.67
Less 2% Social Security taxes on \$261.67		5.24
Net do me		256.43
Less: Amount owed Buchner Flying Service	\$22.94	
Amount owed G. L. Buchner	6.18	29.12
Amount of my claim		227.31

The salary for the five extra days come about in the agreement offered me by Mr. Buchner when he hired me. The agreement was that I would get \$40.00 a week until the second program started which did on August 9th at which time I was to receive \$50.00 per week.

As your letter mentioned Judge Olds I took the liberty to drop in and see him in regard to the difference in figures as I have already mentioned. Upon checking with his figures we found they differed to those in your letter but that the amount he had due me equaled the total of the four payments. During the conversation I asked why my case was settled over an period of time as I knew the Sharp, Isaacs and Metzger claims were settled in full. He stated that being I held a good job now and Mr. Buchner had been hard hit, he felt it would work out best that way. I appreciate the fact that Judge Olds feels this way and am sure the Judge wasn't aware of how the other cases were arranged. The fact I have a job paying \$40.00 per week and am married does not seem reasonable that I wait for my money when the three other claimants are all single, one earning \$300.00 a month, another earning \$135.00, and the last approximately \$350.00.

I also wish to straighten out another statement which Mr. Buchner made to Judge Olds and has possibly come to your attention. Mr. Buchner stated that when the agreement was made between the employees and himself that I was satisfied with the terms but when it was presented for signature I refused to sign. It happened that I was not at the meeting in which this agreement was made. It will be borne out

by all the employees to this fact also that at all meetings I attended I made the statement to Mr. Buchner that I would not come to any terms other than full settlement of back wages.

I would, of course, like to have as much money at one time as possible as there are several outstanding obligations which are pressing me.

Thanking you again for your kindly efforts in my behalf, I remain

Yours very truly,

(Signed) Albert Edward Watts, Jr.

On September 2nd, 1942, the above mentioned "agreement", quoted in full below, as follows:

September 2nd, 1942.

Sierra Talc Company,
Keeler, California.

Attention Mr. Maule Miller, Supt.

Gentlemen:

This agreement entered into this above date, wherein Mr. Roger Lee Gee, now in your employ, agrees to pay to this Court the sum of Two Hundred (\$200.00) dollars as follows: same to be deducted from his pay checks.

\$50.00 on September 5th and \$25.00 on each succeeding Pay Day till full sum is paid. It is further agreed that if Mr. Gee quits your employ for any reason, you will send his last check to me, out of which I will allow him sufficient funds to take him to his next job, provided he has that much coming.

Said checks as they fall due, to be mailed to this Court. Please let Officer Mack know if this is agreeable to you,

Signed Roger Lee Gee.

Witness Harry Mack, Deputy.

Mr. Mack states that this agreement was OK'd by your firm. I called Mr. Miller on the phone and mentioned this agreement to him and asked him if he would see that its terms were carried out. He said he thought it would be all right, but that he would have to take the matter up with Mr. Booth. I sent the Officer out to your office or mill, or wherever you do business, with the agreement and the defendant and the agreement was supposedly entered into in good faith between Mr. Mack and yourselves. We heard nothing from you on the 5th, or even since, that you had failed to live up to your part of the agreement. Since then, I find the defendant left your employ, drawing all his wages and this Court is holding the sack.

On the strength of this confirmation from your firm that we would get at least the first \$50.00, only 3 days off, and I made an agreement with Dr. Shultz, that the bill against Dewey Graves of attending to this would be inflicted by the defen-

Sierra Talc Co., Page 2. In re: Roger Lee Gee;

dant, would be paid by the County. The County is stuck for this bill of Dr. Shultz, in any event. A new Mattress was destroyed by Mr. Gee in the jail, the night he was in there, necessitating a new one. I figured this \$50.00 would cover these two items.

I am surprised that since you handled this matter so poorly, that you have not written this Court about it. Knowing from past experience, that you do not neglect any of your correspondence regarding other matters, of which I have written you many times, that you have ignored this Court in what I feel was a definite and positive agreement entered into between this Court and yourselves.

I am now a lawyer and this may seem somewhat "garbled" to you, but I ask you to forward the first payment of \$50.00 to me at an early date, so I can make good on my promises to Dr Shultz, in which I committed Inyo County to the payment of his bill and which I may have to pay personally.

Please let me hear from you promptly.

ALL MESSAGES TAKEN BY THIS COMPANY ARE SUBJECT TO THE FOLLOWING TERMS:

To guard against mistakes or delays, the sender of a message should order it repeated, that is, telegraphed back to the originating office for comparison. For this, one-half the unrepeat message rate is charged in addition. Unless otherwise indicated on its face, this is an unrepeat message and paid for as such, in consideration whereof it is agreed between the sender of the message and this Company as follows:

1. The Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the unrepeat-message rate beyond the sum of five hundred dollars; nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any message received for transmission at the repeated-message rate beyond the sum of five thousand dollars, unless specially valued; nor in any case for delays arising from unavoidable interruption in the working of its lines;

2. In any event the Company shall not be liable for damages for mistakes or delays in the transmission or delivery, or for the non-delivery, of any message, whether caused by the negligence of its servants or otherwise, beyond the actual loss, not exceeding in any event the sum of five thousand dollars, at which amount the sender of each message represents that the message is valued, unless a greater value is stated in writing by the sender thereof at the time the message is tendered for transmission, and unless the repeated-message rate is paid or agreed to be paid, and an additional charge equal to one-tenth of one per cent of the amount by which such valuation shall exceed five thousand dollars.

3. The Company is hereby made the agent of the sender, without liability, to forward this message over the lines of any other company when necessary to reach its destination.

4. Except as otherwise indicated in connection with the listing of individual places in the filed tariffs of the Company, the amount paid for the transmission of a domestic telegram or an incoming cable or radio message covers its delivery within the following limits: In cities or towns of 5,000 or more inhabitants where the Company has an office which, as shown by the filed tariffs of the Company, is not operated through the agency of a railroad company, within two miles of any open main or branch office of the Company; in cities or towns of 5,000 or more inhabitants where, as shown by the filed tariffs of the Company, the telegraph service is performed through the agency of a railroad company, within one mile of the telegraph office; in cities or towns of less than 5,000 inhabitants in which an office of the Company is located, within one-half mile of the telegraph office. Beyond the limits above specified the Company does not undertake to make delivery, but will endeavor to arrange for delivery as the agent of the sender, with the understanding that the sender authorizes the collection of any additional charge from the addressee and agrees to pay such additional charge if it is not collected from the addressee. There will be no additional charge for deliveries made by telephone within the corporate limits of any city or town in which an office of the Company is located.

5. No responsibility attaches to this Company concerning messages until the same are accepted at one of its transmitting offices; and if a message is sent to such office by one of the Company's messengers, he acts for that purpose as the agent of the sender.

6. The Company will not be liable for damages or statutory penalties in the case of any message except an intrastate message in Texas where the claim is not presented in writing to the Company within sixty days after the message is filed with the Company for transmission, and in the case of an intrastate message in Texas the Company will not be liable for damages or statutory penalties where the claim is not presented in writing to the Company within ninety-five days after the cause of action, if any, shall have accrued; provide, however, that neither of these conditions shall apply to claims for damages or overcharges within the purview of Section 415 of the Communications Act of 1934.

7. It is agreed that in any action by the Company to recover the tolls for any message or messages the prompt and correct transmission and delivery thereof shall be presumed, subject to rebuttal by competent evidence.

8. Special terms governing the transmission of messages according to their classes, as enumerated below, shall apply to messages in each of such respective classes in addition to all the foregoing terms.

9. No employee of the Company is authorized to vary the foregoing.
